## DEMOLITION WORKS AT 15 COLL PLACE

Glasgow Housing Association has appointed Safedem Ltd to demolish and clear the site at 15 Coll Place. This leaflet provides information about the works and how surrounding residents may be affected.

## DEMOLITION UPDATE

We have completed all of the demolition operations. We are now spreading topsoil and grass seed to the cleared site. We expect to remove the fencing from around the site and re-open the footpath alongside the basketball court within the next few days. In order to allow the grass seed to grow, we would ask for co-operation from everyone within the community to warn children, visitors etc. to keep away from the site meantime.

## CUSTOMER FOCUS RESPONSES

We would like to take this opportunity to thank everyone who participated in our customer focus surveys and who took the time to give us their views on the service provided by Safedem. We are delighted that so many of you were very happy with the service provided by Safedem.
